Background

Orata Lesedi Trading & Projects (Pty) Ltd is a proud Qualifying Small Enterprise (QSE) and a BBBEE Level one (1) contributor that was founded and duly registered as a company with the Companies and Intellectual Property Commission (CIPC) on the 21st of November 2012. We are fully compliant with ISO 9001, 14001 and 45001 (international) standards as well as the Tax and Department of Labour (local) requirements.

We are a service focused and customer centric enterprise and this means we are driven by high service standards and complete customer satisfaction. We have service quality control systems and we conduct regular customer satisfaction surveys at the end of each project to ensure conformity.

Our focus is primarily on providing services to the mining & petrochemical industries and we have strategically positioned our offices in the mining centers. Our offices are in Witbank and Middelburg, Mpumalanga province.

Background

Orata Lesedi Trading & Projects (Pty) Ltd is 100% Black Woman Owned (BWO) entity led by **Mrs. Nkoadi Thelma Ngcobo**, who is also the Managing Director. Mrs. Ngcobo brings to the business corporate experience that spans over fifteen years. She worked in administration and customers services as well as in contract management spheres. She is an astute project manager with a wide range of network in the power generation and mining sectors.

Qualified associates experienced in the various functional areas of the Mining and Engineering sectors have pledged their support and availability should Orata Lesedi Trading & Projects (Pty) Ltd require their services on contractual basis.

Since inception, Orata Lesedi has executed more than 56 projects, with employment staff growing from 6 to over 80 in under 10 years. The company qualifies for projects ranging up to 60 million Rand i.e., up to Grade level 4 contracts as calculated through the construction industry development board (CIDB) in the field of Civil Engineering (CE), Mechanical Engineering (ME) and General Building Works (GB).

Vision

To preserve our company brand as reputable, sustainable and profitable supplier and employer enterprise that contributes the socio-economic agenda of South Africa.

Mission

To conduct all our operations in a safe manner with consideration for best practices in the industry.

To provide excellent service consistently & cost effectively to benefit our clients; employees and sub-contractors.

Values

We are a values based company and we believe that each person is because of the other. Some of the values that we espouse as a company are:

- *Responsiveness*
- *Integrity*
- *Impartiality*
- *Accountability*
- *Respect*
